Winners of the above two games will play to determine 5th and 6th place.

Losers of the above two games will play to determine 7th and 8th place.

DH Rule

The designated-hitter (DH) system shall be adopted for all games.

Mercy Rule

The mercy rule shall be applied to end a game if one team is ahead by 10 or more runs when the opposing team has batted at least 7 innings, or by 15 or more runs when the opposing team has batted at least 5 innings.

Extra innings

Tie-breaking rule is applied from the 10th inning on (with runners on 1st and 2nd and nobody out).

Suspended games

In case a game is stopped because of weather, curfew or other reason, the following will apply;

1. Before a contest becomes a regulation game*, it is not an official game and shall be replayed in its entirety.
2. After it becomes a regulation game, it is ruled a complete game.
3. When it is tied or when the visiting team takes the lead in an uncompleted inning, and after it has become a regulation game, it shall be ruled a suspended game and shall be resumed at the exact point of suspension and played to a completion.

*A contest becomes a regulation game when 5 innings have been completed. If the game is stopped after the top of 5th has been completed with the home team taking the lead, it is ruled a regulation game.

In order to proceed comfortable media activity at the 5th World University Baseball Championship supported by Panasonic (hereafter, the “Championship”), the Operation Office (hereafter, the “Office”) has established the following Guidelines. All media accreditation document (hereinafter Media Credential) holders representing their media organizations covering the Championship are expected to abide by these Guidelines at all times, and to follow the instructions of PR staff. Those failing to follow the guidelines and instructions will have their accreditation revoked and be asked to leave the Championship premises.

Section 1: Media Credentials

- (1) Media Credential is granted to media organizations whose purpose is a sports coverage(*) and to media organizations accredited by the Office.
- (2) At all times while on the premises during the event, holders of Media Credential shall hang access pass around the neck and facing forward on the upper body, where it can be clearly visible to event staff.
- (3) Please have the identification documents for verification of the registered name on the application forms. Media Credential cannot be transferred or lent to the third party.
- (4) Media Credential consists of three elements, the PEN credential (writer), the PHOTO credential (still photographer) and the BROADCAST (ENG crew). Please check the media area stated later for accessible areas of each credential.
- (5) Photographing or filming is strictly prohibited by those who do not have the PHOTO or the BROADCAST credentials.
- (6) Any type of cameras (such as cellular phone with camera) possessed by those who do not have the PHOTO or the BROADCAST credentials may be kept by the Office regardless the intention of use of the equipments.
- (7) Media Credentials may be revoked regardless of the reason.

(*) Sports coverage is defined as the act of use of video image or still photo of the event filmed/recorded/covered for the purpose of publication/broadcast in the medium of the concerned media and includes the use for the purpose of its sports reports in the other media of the concerned media.

(*) Distribution by news agencies and the use of portrait by the media who are distributed by the news agencies shall be limited to sports coverage. The form of the sports reports (refer to section 2) has two sorts, the “primary use” and the “secondary use”. Please contact the Office if the “secondary use” is necessary as it may require the application to the team’s affiliation.

Section 2: Regulations Regarding Portraits

Rights for any images, including video and photographs, relating to the Championship shall revert to the organizer of the event. In order to control and protect the rights such as portrait rights of the event, the following regulations are provided for the valid use. The concerned media that conducts the media activities with valid media credentials and the media approved by the organizer of the event have an obligation to abide by the regulation.

- (1) Portraits that the organizer of the event controls:
Portraits of the managers, coaches and players of the participating teams, the image of the game and practices at the venues of the games, interviews, official activities related to the game and scenes such as press conferences.
- (2) Form of the use of portraits:
Form of the use of portraits and other elements is limited to the sports coverage and must not be used for any other purposes including the commercial purposes.
- (3) Use of the still images:
Primary use for the purpose of sports coverage
Use of the portraits such as photographed still images for the purpose of publication on concerned media of the press is considered as the primary use (including the use of distributed images by the news agencies and the use by the media that was distributed by the news agencies) and it is defined to pure and simple sports coverage on the newspapers/periodicals.

Secondary use for the purpose of sports coverage
Use of the portraits such as still images photographed for the primary use for the purpose of sports coverage on other media by the concerned press is the secondary use. The purpose of its use is limited to the sports coverage when used on the Internet of the concerned press. Use of images for paid web sites is prohibited.

(4) Use of video

Use of video for the purpose of primary use of sports coverage Use of the portraits such as filmed video images for the purpose of broadcast of concerned media of the press is considered as the primary use and it can be used in the following conditions;

- a) Use for up to 2 minutes/game and up to 5 minutes/program of footage as part of a news program broadcast within 36 hours of the game.
- b) Use for up to 2 minutes/game and up to 5 minutes/program of footage as part of a news program whose purpose is sports coverage and the weekly news section of the informational program, but before the end of August 2010.
- c) If the use of footage exceeds the limited amount of time the advanced application is needed.
- d) Use by rights holder will be determined separately.

Secondary use

If you wish to use the portraits such as filmed video images for the purpose of broadcast of concerned media of the press as the secondary use, please contact the Office.

Internet

As a general rule, the use of video on the Internet is prohibited. A special permission is required by the organizer when using it on the Internet.

*Please contact the Office for the regulations on use of portraits.

Please contact the Sports Promotion Department of the Yomiuri Shimbun's main office in Tokyo at 03-5159-5880 after August 2010.

Section 3: Coverage Areas

- (1) Media activity at the Championship will be restricted to the following areas: press conference room, media room, media section in the stands, cameraman areas, media workroom and the coverage area (at batting practice, etc). Media activities in areas other than above are strictly prohibited.
- (2) Media activities in the coverage area on the field at the pre-game batting practice shall be done within the permitted area designated by the organizer and shall be abided by the instruction of the organizer.
- (3) No media activities are allowed in the coverage area on the field after the completion of the pre-game batting practice by both teams.
- (4) In principle, media activities in the stands (except for the designated areas) and photographing/filming from the stands are prohibited.
- (5) Interviewing at the hotel of the teams is strictly prohibited. Releasing of the hotel name and address is also prohibited.
- (6) The special coverage area will be set up on the field for the awarding ceremony after the entire Championship schedule is over.

Section 4: Post-game media activities

- (1) After each game (after the interview of the game's MVP at Meiji Jingu Stadium and Yokohama Stadium), there will be a press conference at each venue.
- (2) Sequential interpretation will be provided at the press conference. The Office will determine which language will be necessary.
- (3) Due to the limited space at the press conference, there may be a limitation of number of persons allowed by each affiliation.
- (4) A losing team will start the press conference and a winning team follows. The both managers and players designated by the Office will be available.
- (5) The coverage rules of the press conference after Gold Medal game and the awarding ceremony is to be announced by the Office.

Section 5: Cameraman Areas

Areas for cameramen at Meiji Jingu Stadium and Yokohama Stadium are “side of the dugout on the first base side”, “side of the dugout on the third base side”, “side(s) of the batter’s eye screen” and designated area in the stands. Cameramen using these areas must observe the following guidelines:

- (1) Filming/photographing of the games will be restricted to the above areas.
- (2) “Side of the dugout on the first base side”, “side of the dugout on the third base side” and “side(s) of the batter’s eye screen” can only be used by the host TV station, members of the Tokyo Press Photographers Association, members of the Sports News Association and media affiliations that are specially approved by the organizer (media from participating team/area, etc). Any media other than mentioned above shall film/photograph from the designated area in the stands.
- (3) The Office will outline the positions of filming/photographing if necessary. Media from the countries/areas that are competing in the game shall be given priority in positioning. The outline of positions will be posted in the cameraman area and media workroom.

Please follow instructions by the staff members for the outline of the cameraman area at Utsumi Shimaoka Ballpark and KAIT Stadium on the game day.

Section 6: Media Workroom

A media workroom or necessary space will be set up for all holders of media credentials at each stadium. There may be a limited space depending on the venue and generous understanding is appreciated. Please follow the instructions by the staff on the game day for the closing time.

*The Office or the organizer cannot be responsible for damage, or loss or theft of equipment in the media workroom.

Section 7: Rights holders

The rights holders of the Championship are defined as the broadcasting services that have broadcasting rights of the concerned games. “Broadcasting” of the broadcasting services represents broadcastings of TV, radio and Internet. Only the rights holders may use the area for the live broadcasting cameras in the cameraman area. Other broadcasting media can conduct media activities only in the area designated by the Office.

Section 8: Use of video

- (1) Use of any moving images and/or video acquired through media and other activities is allowed only for the purpose of sports coverage.
- (2) Use for up to 2 minutes/game and up to 5 minutes/program of footage is allowed as part of a news program intended for sports coverage or sports news program broadcast within 36 hours of the game. Use for up to 2 minutes/game and up to 5 minutes/program is allowed, for the purpose of the sports coverage only, in the weekly news section of the informative program other than the programs stated above until the end of August, 2010.
- (3) Please contact the Office in advance if the time limits of 2 minutes/game and 5 minutes/program would be exceeded in the concerned programs stated in the article 2.
- (4) In principle, use of video is not permitted on the Internet. It is required to receive a special permission by the organizer in case of using it on the Internet.

*Please contact the Office for any items that are not stated in the above.

Please contact the Sports Promotion Department of the Yomiuri Shimbun’s main office in Tokyo at 03-5159-5880 after August 2010.

Section 9: Others
